

Students, Families, Employees and Stakeholders
of San Juan School District,

On February 21st and 22nd the District Administration determined that school would be cancelled due to severe weather conditions which greatly inhibited driving safety and transportation of our students for those days.

The State Superintendent, San Juan School District School Board and Superintendent Nielson have agreed that the required make up days would be best accomplished by extending four (4) Fridays.

**ON THE FOLLOWING DAYS, SCHOOL WILL BE HELD
ON REGULAR FULL-DAY SCHEDULES:**

APRIL 5

APRIL 12

APRIL 26

MAY 10

Please note, the Good Friday Holiday on April 19, and the Easter Break scheduled on Monday, April 22, will remain as NO SCHOOL days, as planned on the school calendar.
